Festival

The Mountain Sports Festival 2024 is an event that focuses on the fascination of mountain sports and the beauty of our region. From June 28 to 30, 2024, you can expect a weekend full of exciting opportunities to explore new horizons, hone your skills and discover our spectacular surroundings.

The festival offers a variety of mountain sports, such as biking, hiking, climbing, road biking and trail running. From multi-day sports camps to day courses and individual guided tours, there is something for sports enthusiasts of all experience levels.

But the Mountain Sports Festival is not just about sport, it's also about entertainment and community. Join us for live music, an exciting movie night on Friday and a rousing concert on Saturday evening. These evenings promise unforgettable moments in a relaxed atmosphere.

An absolute highlight is the Montafon Arlberg Marathon, where up to 800 participants are expected on Saturday.

We would like to invite you to become part of this incomparable experience as an exhibitor. Take the opportunity to present your products or services to a wide audience and benefit from the enthusiasm and energy of the festival. Your participation will help to make the Mountain Sports Festival 2024 an unforgettable event.

Registration EXPO

We hereby confirm our participation in the EXPO
from 28.06.-30.06.2024

1. general terms and conditions

(1) The contractual relationship between the organizer and the stand operator and the stand operator are exclusively the following contractual conditions.

(2) Registration must be made in writing on the registration form registration form provided by the organizer. The signed registration received by the organizer is a legally binding and irrevocable offer by the stand operator.

(3) The organizer is not obliged to accept the offer. He is entitled to reject registrations without giving reasons. The acceptance of the offer by the organizer and the admission takes place by sending the booking confirmation. The contract is thus only concluded upon the sending of the booking confirmation.

(4) The organizer reserves the right to change the exact stand area at short notice, provided the change is in the interests of the organizer is reasonable for the stand operator.

(5) The information contained in the registration form shall be stored in accordance with §33 of the Federal Data Protection Act.

(6) Subsidiary agreements, amendments or additions to the contract require written confirmation by the organizer in order to be valid. This also applies to amendments to this agreement.

2. construction and design

(1) Stand construction and design must comply with all statutory regulations, in particular the general and special building regulations including any local regulations and the event-specific rules. The stand construction material must also comply with all statutory regulations, in particular building regulations and fire protection regulations. Stands must also be designed and constructed in such a way that no person or property can be harmed, endangered, obstructed or inconvenienced.

(2) Structural changes to the ground and floor are not permitted. An extension of the booked stand space - insofar as such an extension is possible - will result in a subsequent charge. Impairments of the stand space due to projections, pillars, flagpoles and light poles do not reduce the stand rental fee.

(3) If a stand operator cancels the use of a stand at short notice the cancellation regulations apply and the stand can be reassigned. In the case of structures, event modules, etc., which require approval, all permits must be carried and presented to the organizer upon request. to the organizer on request.

(4) Temporary structures with a minimum height of 5 m that are intended to be entered by visitors are generally prohibited. This also applies to tents with a floor area of 75 m² or more, rides and stages if their floor area is at least 100 m² and their height including roofs and superstructures is more than 5 m.

3. domiciliary rights and security

(1) The organizer shall provide general security and supervision. This exclusively for the security of the entire grounds and not for individual and not individual stand security.

(2) The organizer exercises domiciliary rights within the exhibition grounds, within the exhibition grounds. The instructions of the organizer, his authorized representatives and employees must be followed at all times. The organizer is entitled to have exhibits removed from the stand if exclusivities of event sponsors are violated, their display is contrary to applicable law, public decency or the exhibition program.

the exhibition program. Advertising for political and ideological purposes is prohibited.

4 Liability of operator

If the stand operator, its personnel or vicarious agents (e.g. employees of the stand construction company commissioned by the stand operator) or other persons working for the stand operator on the exhibition If the stand operator causes damage to the organizer, the stand operator shall be liable to the organizer for damages in an unlimited amount.

5 Liability of the organizer

Claims for damages on the part of the stand operator against the organizer, regardless of the legal grounds, are excluded. This shall not apply if the organizer, its legal representatives or vicarious agents have acted with intent or gross negligence or if liability is mandatory due to damages attributable to the organizer arising from injury to life, limb or health or the breach of essential contractual obligations.

6. force majeure and similar events

If the stand rental contract cannot be fulfilled due to force majeure or for other reasons for which the organizer is not responsible, cannot be fulfilled, the organizer is the organizer is entitled to withdraw from the contract. The In this case, the stand operator shall be entitled to a refund of any of stand rental fees already paid. Any further claims, in particular in particular claims for loss of profit, are excluded.

7. calculation of stand size

The minimum stand size is 9m². The stand area is calculated from the square meters booked multiplied by the price per square meter. The ancillary costs for alternating current (230V) (optional), three-phase current (400V) (optional), water (optional) and waste disposal fee (obligatory) are all-inclusive prices which must also be paid to the organizer.

8. entry tickets

Entry tickets only entitle the holder to load and unload before and after the opening hours on the Expo site.

9. Cancellations

(1) Cancellations by the stand operator must be sent to the organizer in writing by post or by fax to the organizer.

(2) In the event of cancellations, the stand operator is obliged to bear the following costs:

- Cancellation 1 to 14 days before the first day of the event: 100% of the of the agreed invoice amount
- Cancellation 15 to 28 days before the first day of the event: 75% of the agreed invoice amount
- Cancellation 29 to 42 days before the first day of the event: 25% of the agreed invoice amount

The stand operator reserves the right to prove that the organizer has incurred no or less damage as a result of the cancellation.

10 Payment and participation conditions

(1) Unless otherwise agreed in writing, the agreed payments shall be has been made in writing, the agreed payments must be made in full without deduction to the at the latest three weeks before the start of the event to the organizer. at the latest. In the event of non-compliance with the agreed payment deadline, the organizer is organizer shall be entitled to withdraw from the contract after the unsuccessful expiry of a payment deadline set for the stand operator and to dispose of the stand space elsewhere. The organizer reserves the right to assert further claims for damages caused by delay.

(2) In the case of bookings at short notice, the agreed remuneration must be paid in cash at the latest before the stand is set up; otherwise otherwise the stand cannot be occupied.

11. Transfer of rights/ subletting

The transfer of rights or subletting is not permitted.

12. Environmental protection, waste avoidance and waste disposal

The waste disposal fee only covers the removal of waste at the end of the event. Garbage must either be deposited in the containers provided or left in garbage bags in front of/on the stand before leaving the stand. Contaminated stands will be cleaned by the organizer at the exhibitor's expense.

Waste avoidance, reduction of pollutants and recycling of valuable materials in waste are among the most important environmental environmental policy goals of our society. In order to realize these goals, exhibitors are requested to use environmentally friendly and reusable materials for stand construction and furnishings and to dispose of leftover materials used as hazardous waste. Drinking Water Ordinance. In particular Hose lines and couplings must meet the hygiene standards. Only approved components may be used (no use of garden hoses etc.).

13. other

(1) The stand operator recognizes with his signature on the the binding nature of these event conditions and undertakes to conditions and undertakes to comply with them, The stand operator's general terms and conditions shall not apply. The undersigned declares himself authorized to act.

(2) The place of performance and jurisdiction for all disputes arising from any transaction to which these Terms and Conditions of Event apply shall be the place of business of the organizer, both for actions brought by the organizer and for actions brought against the organizer. the organizer. For business transactions with stand operators who are neither merchants within the meaning of the Commercial Code, special funds under public law or legal entities under public law, as well as for transactions with a merchant that are not part of the operation of his commercial business, these terms and conditions shall apply.

business, this provision shall not apply.

(3) The relationship between the organizer and the stand stand operator shall be governed exclusively by the law of the Federal Republic of Austria, but to the exclusion of conflict of laws.

(4) If individual provisions of these General Terms and Conditions are or become invalid, this shall not affect the validity of the remaining provisions. The invalid provision shall be replaced by a legally valid provision that comes closest to the purpose of the invalid provision.

(5) The stand operator undertakes not to sell any merchandising products that are in any way connected with the event. In the event of violation, further sales will be immediately prohibited by the organizer.

(6) The attachment of posters, advertising banners, signs or similar outside the sand areas requires the express permission of the organizer.

Any posters, advertising banners, signs, etc. that have been put up must be removed by the exhibitor without leaving any residue after the end of the event. Promotional activities on the exhibition grounds and beyond are not part of the stand space booking and may not be carried out without the written approval of the organizer.

(7) The organizer assumes no duty of care for exhibits and stand equipment and excludes all liability for damage and lost items.
